Battery Sprayer Parts

Manual Sprayer Parts

Pressure Sprayer Parts

Brief Introduction

Founded in 2002, Maya fertilizer and pesticide, specializes in manufacturing hand sprayers for agricultural and horticultural usage. Our major businesses are in retail sales, domestic wholesale and export. We have been devoted to the development and research of the new products all the time. The factory has already in business for all major categories of sprayers and have a wide range of variety ranging from manual , electrical , dual, pressure and trigger sprayers.

We adhere to the principal of “quality means market, prestige wins customer”, and supply high quality products, good after sales service and prompt delivery. Therefore we have been enjoying a great reputation in most our states and among all dealers.

We will work hard and welcome customers from home and abroad develop together and create a bright future.

We are looking forward to serve you.
